Thanks to Housing Opportunities my children and I have a safe home. They helped me focus on education for my kids and now they are doing great in school. I don't know where I would be without H.O. Sometimes I don't have enough money for food and I am able to go to their food pantry. I can even get cleaning supplies so I can keep my home clean for my family. I appreciate everything they do for us. I am thankful for everyone who supports H.O. because they are really helping my family too.

Breaking the Cycle

You can break the cycle of homelessness and invest in the future of our community. You can help us reduce the barriers to an education, provide family support and a stable environment. Your gifts will support the children we serve and lead to positive academic outcomes while paving the way for success later in their life and for generations to come.

"We make a living by what we get, but we make a life by what we give."
- Winston Churchill
